

CIA's budget for training in mid. Oct. 1962.

1. Overreaction has to be made more me not at all.  
off. The block - This is time of minimum risk -  
I would not.

2. There are not just two things really. We think  
and be ready to act immediately (we can  
discuss with others) in several spots. Do  
not wait until crisis comes -

1. B -

2. G -

3. KEG

4. K -

5. Blank -

3. We can't commit that we can should  
not. But very short notice

Our warning, when given should be  
full & persuasive -

NATO and OAS should be addressed  
by you and Lyndon on NATO on  
the on

4. Hyman on outbreak div. on Exercise -

5. When (if) "go" decision, JPK should

of. The black - This is true if minimum risk -  
around 20.

2. Then you will not take this matter. Do think  
out and be ready to act instantly (we can  
discuss with others) in several steps. Do  
not wait until crisis comes -

B -

2 - G -

3. LCA

4. K -

5. Black G -

2. We can't consider that we can should  
not. But very short notice

Our morning, when given should be  
full & persuasive -

NATO and OAS should be addressed  
by you and Spencer on NATO on  
the on

4. Hyman on outbreak dev. on Exercise -

5. When (if) "go" decision, JPK should  
cancel all further campaign inquiries  
to unify country.

6. Don't think frequency of decisions should  
prejudice "go" day.
